All sessions are free and will take place in the Theatre Studio, Faculty of Music, King Charles Court from 19:00 to 20:45.

The evenings will be in a Question Time format with Joe Townsend taking David Dimpleby's chair for the evening. Joe will be in conversation with music professionals from our alumni community and elsewhere. This is your opportunity to hear first-hand, and ask questions, about their experiences and insights in establishing careers in the music industry.

After the main event you are invited to join panelists in a complimentary glass of wine and chat.
